There is no cost to attending the club. We may arrange trips later in the year that may include a small cost. Details will be sent home.

What will I be doing?

You will be learning about different elements of filmmaking taught by the team at Signal and visiting professional filmmakers. As a group you will work together to write, shoot and edit a film production to be completed by March 2014. Film crews consist of people with different skills including camera, directing, art department (including costumes, props and set design), production, editing. Whatever your skill set there's a place for you!

What will the film be?

The first year of Cooke's Crew is going to be an animation production. The story and style is for you to decide.

When does it start?

Cooke's Crew is on Wednesday evenings from 2nd October 2013 from 5:30 – 7pm. **Parents are invited to the first session to see what we'll be up to in the year.**

How long is it on for?

It will run through to March 2014 during term time (full schedules will be given out on the first session). Lack of regular attendance without prior notice may result in places being given to people on the waiting list.

How can I join?

And ask for an application form using the contact details below. Places will be given based on the strength of the application form and to those who live in the targeted areas of the 'Inspiring Barrow' Programme. Once full you will be placed on a waiting list.
