CUMBRIAN ARTISTS DIGITAL DEVELOPMENT LAB

An exciting free programme led by museum professionals and arts organisations to support, develop and connect emerging artists based in Cumbria.

Includes the opportunity to produce an exhibition with funded support.

Hosted on the rugged and remote West Cumbrian coast and the inspiring Lake District.

Talks, workshops and one-to-one mentoring sessions will explore how creative technology & digital media can expand artistic practice, and how networks and collaborations can help artists maintain careers in and out of Cumbria.

The Cumbria Museum Consortium in partnership with Signal Film and Media would like to invite 8 artists who live or work in Cumbria, to take part in the Cumbrian Artists Digital Development Lab 2020.

Providing a space for conversation and cross-disciplinary exchange, with the aim of nurturing new work within existing cultural venues in Cumbria.

DATES: MARCH - JULY 2020
